The Government of Barbados*

Barbados is the proud host of the 2022 edition of the Central American and Caribbean Amateur Swimming Confederation (C.C.C.A.N.) Championships and I am honoured to extend a warm welcome to all participants, officials and supporters. I encourage you to consider Barbados as your home away from home during the competition.

We were delighted to have had the pleasure of staging the 2022 Carifta Aquatic Championships over the course of the Easter weekend which showcased the prowess of our regional athletes in their various events. On this occasion, we are afforded the opportunity to extend our hospitality to other friends from the Caribbean, Central America and Mexico. These Championships are important because competition allows you, the athletes to test your skills against an expanded pool of competitors.

It will also improve your self-confidence and provide a greater understanding of where you are in terms of achieving your goals. Overall, your involvement in competitive swimming will create a wonderful pathway for you to contribute meaningfully to your countries and to place them on the world map. The sacrifices that you have made will lay the foundation for your future growth and development, as swimming provides significant physical, mental and social benefits. I encourage you to use those transferable skills, such as selfdiscipline to train and practice and

setting and achieving goals to other areas of your life, including work, school and relationships. I am very appreciative of the continued diligence and dedication of the technical officials and members of the C.C.C.A.N. Committee for maintaining the high standards of the tournament since its inception in the 1960's. The contribution of parents and coaches must also be applauded for working tirelessly to guide each of you to this point in your swimming journey.

As you compete in the pool, open water and the water polo events, I am confident that you will give of our best and I urge you to exhibit true sportsmanship and build camaraderie that extends beyond these Championships. Throughout the rigour of competition, remember to make a new friend, enjoy your events and above all have fun.

Best wishes for a safe and successful C.C.C.A.N. Championships.

### Mr. Jens Thraunhart

CEO, Barbados Tourism Marketing Inc. (Visit Barbados)

Visit Barbados extends warm congratulations to the Barbados Aquatic Sports Association (BASA) on the incredible opportunity to host the Central America and Caribbean Amateur Swimming Confederation (CCAN) Championships in Barbados from July 8th to 26th.

I understand that BASA has worked hard to cultivate a reputation in the aquatic's fraternity; so the chance to have Barbados as the host country for this major sporting event warrants the heartiest of congratulations.

This is an incredible opportunity for us to showcase Barbados as more than a destination of sun, sea and sand as more sports organisations look to the island to be the host of many of their sports-related events.

To the participants, welcome to Barbados!

I hope you are able to enjoy the island as much as you can while competing for the Championship title.

Competing in Barbados brings with it so many possibilities as there is so much to do on island.

Enjoy the authentic Barbadian culture and take a

trip to Coco Hill Forest, Oistins, Bathsheba or go kayaking on our crystal-clear waters.

If you're a foodie, we have a plethora of restaurants for you to partake in and learn why Barbados is considered the culinary capital of the Caribbean.

Just want to relax and recharge in between your races? No problem! There are so many calm, relaxing and picturesque locations available for you to do just that.

So welcome to Barbados, enjoy the island and good luck!

Sincere regards,

*Dr. Jens Thraenhart*

**Sandra Osborne, SCM, QC**  
*President, Barbados Olympic Association*

The Barbados Olympic Association Inc extends a warm welcome to all CCCAN participants. We acknowledge with pride that the 2022 edition will be contested by 26 countries in three aquatic disciplines over a period of 18 days with over 800 participants. It is indeed an honour for Barbados to take centre stage as the gathering place for such a large and illustrious group of the aquatics fraternity.

The Covid-19 pandemic has affected each of us in different ways, and in many respects Sport has suffered multiple setbacks, but the sporting family has stayed true to its commitment to athletes. The importance of hosting a large event like CCCAN at this time cannot therefore be overstated. It is the first CCCAN for the Barbados Aquatic Sports Association since the Covid-19 lockdowns. Equally, it gives us an opportunity to come together in peace and solidarity, regardless of nationality, and whether as a competitor, official, volunteer, family member, spectator or supporter, to build a better world in which we give peace a chance, and in which the Olympic values of excellence, friendship and respect are exemplified in keen, but

clean, competition.

As we extend our very best wishes to everyone, we look forward to exciting competitions in swimming, open water and water polo!  
Yours in Sport,

*Sandra Osborne* SCM, QC  
President  
The Barbados Olympic Association Inc.

## **Cheryl, Lady Forde**

It is my honour and pleasure to welcome you to the Central American and Caribbean Amateur Swimming Confederation (CCCAN) Championships. On behalf of the Executive of BASA, I extend warm greetings to everyone who is visiting from Central America, Venezuela and our neighbours in the Caribbean region. Saludos y bienvenido a Barbados!

The Barbados Aquatic Sports Association is delighted to have the opportunity to be your host Federation for Swimming, Open -Water Swimming and Water Polo. I also wish to thank the many supporters who have travelled to Barbados in support of your teams. I hope you will also have an opportunity to enjoy our Bajan culture and hospitality. Espero que tambien tenga la oportunidad de disfrutar de nuestra cultura y hospitalidad Bajan.

Sports bring people together from different backgrounds, different cultures, races and social status and serve as a strong unifying force. Sports allow us to focus on a common goal to be the best in everything we do. It also allows us to make friends

and develop lifelong friendships. I therefore urge everyone to use this opportunity to reflect on the role that each of us can play in making the world a happier place. Deja que el deporte ayude a hacer del mundo un lugar más feliz.

# **Health & Safety Protocols for CCCAN**

In light of the Government's recent decision to remove the requirement of testing and producing proof of vaccination status for sporting events, the CCCAN Committee has taken a decision to align our policy with that of the Government's.

Thus, there will be no Covid-19 testing for CCCAN.

However, COVID-19 General Measures are:

1. Temperature checks before entering the venue.
2. Wash/sanitize your hands frequently.
3. Cough and sneeze into a tissue or the crook of your arm.
4. Keep a face covering (mask) on and replace it on a regular basis.
5. Avoid shaking hands, hugging, and kissing.
6. Keep physical distancing wherever possible.
7. Spectators, athletes, coaches, officials, support staff and volunteers are to always wear face masks unless consuming a beverage, eating, or competing/warming up/cooling down in the pool.
8. Athletes who are not feeling well, must alert the Team Manager.
9. Team Manager will liaise with a BASA official.
10. Athletes are to wear face masks up until their heat is called and whilst in their common area (under tents).
11. Officials must always wear face masks/shields unless during a mask break which must be taken away from other persons.
12. If Officials are feeling unwell, they must inform the Technical Director.
13. Face masks/shield breaks are encouraged but persons are to move away from proximity to others before removing their mask/shield.
